MEDICAL & DENTAL REIMBURSEMENT LOG

If your Agreement states that you and your former spouse shall each be responsible for half of your child's medical expenses not covered by insurance, careful record-keeping at the time that the expenses are incurred can help ensure that the other parent pays you on time. If you cannot prove it, you lose it. Try to keep an account of the children's expenses and the other parent's payments to you.

Date Incurred	Health Care Provider	Patient	Amount Paid	Check Number	Date Sent to Insurance	Insurance Reimbursement	Date Sent to Other Parent	Payment Received
